## MEMO ENDORSED

Re: United States of America v. Bernard Beebe  
Case No.: 06MAGH83 07cr542 (SCR)

Honorable Judge Robinson:

I have spoken to my adversary Richard Tarlowe of the US Attorney's Office. We recently received the opposing papers of the US Attorney's Office on or about November 30<sup>th</sup> as per the Court's extended schedule. As you may recall, the US Attorney had requested various times to extend the time to have his responsive papers in and we acquiesced. I have contacted Mr. Tarlowe and he has consented to allow us an extension of time until sometime after the first of the year to have our reply papers to you.

In addition, there is a conference scheduled for December 14, 2007 and since the motion papers have not been fully submitted we are also requesting that the conference be adjourned until the latter part of January 2008 or the first part of February 2008.

All of the delay should be deemed excludable time to the US Attorney's Office. Kindly advise me if the time for submission of papers as well as a new conference date can be rescheduled.

*Time from Dec. 14, 2007 to January 18, 2008 is excluded for the reasons above  
 and in the interests of justice.  
 The defendant has until 1/8/08  
 GG/dah for its reply.*

cc: Richard Tarlowe, Esq.

Bernard Beebe
